playscheme etc)

- But perhaps hold back a proportion, to ensure we can consider good causes arising through the whole year
- Some suggestions (based on £18000 annual total):
- a. Q1 £12000 Q2 £2000 Q3 £2000 Q4 £2000
- b. Q1 £10500 Q2 £2500 Q3 £2500 Q4 £2500
- c. April-July £12000 Aug-Nov £3000 Dec-Mar £3000
- d. April-July £11000 Aug-Nov £3500 Dec-Mar £3500
- Alternatively, if we're going to simply consider them all from the start of the
 year, potentially leaving little left unspent after Q1, then I think we need to
 have sight of everything so we can consider each application side-by-side (but
 not at the busy May meeting)
- In this case, I think we should clearly communicate a deadline for applications (which I don't think we've done before)
- I'm mindful of creating potential dependency if we always fund all the same causes every year (particularly external groups/organisations, as distinct from summer playscheme/CAB)
- E.g. On funding external groups/organisations, maybe we should support LS Ladies one year (for purpose XX), Bowls club another year (for a new mat), Scouts another year (for special HQ trip), Four Towns & Vale Link another year (for new minibus), etc?
- I'm not suggesting we can't or shouldn't consider an application from a previous applicant, but I'm suggesting that allocating to the same organisations (summer playscheme & CAB aside) every single, consecutive year may not be the best idea

Following discussion Councillor Dave Addison believes the policy currently in place works well which allows each application received to be reviewed and decided upon in isolation. It is acknowledged that at the start of the financial year a high percentage of the Grant Aid budget may be allocated as that's when the larger amounts are requested (CAB and the summer Play Scheme) where submitting their application for the forthcoming year. Considering this and to keep the Grant Aid budget accessible to as many groups' clubs and organisations as possible Councillor Dave Addison proposed to take CAB and Playscheme out of the GA and to look into creating a service level agreement, seconded by Councillor Penny Richardson, proposal carried.

9 Update from the Brooklands Community Centre project.

A Local resident from Harry Stoke would like to see a MUGA included within the plans and will be addressing the local MP for support on this.

A local resident from Rossall Avenue feels this is a financial risk to the Parish Council and would like to see members updating the Business Case to ensure the financial implications are addressed more in detail. Staff wages need to be inline with inflation

and hall income revisited in projections from year 1-4.

Councillor Mike Brown feels should delay the decision until Full Council in September, review the Business Case and hold a Brooklands Hall review day where site drawings and Business Case can be presented.

Councillor Mike Brown also mentioned SGC had plans to erect a temporary Community Centre within the local area and feels the Parish should not take on the Brooklands building which would allow SGC and Crest to run the temporary building.

Councillor Dave Addison looks at this in a different way and would like to see SGPC take on the management of the Brooklands Centre, and approach SGC requesting any available funding through the s106 should it not be required due to the Brooklands Centre being built.

Councillor Dave Addison highlighted to members that SGC have given a target date for a final response of Wednesday 10th July and members should vote on one of the following three options:

1. Proceed on Current Information

South Gloucestershire Council have agreed to all 3 key points we raised on the proposed lease

- First breakpoint at 3 years, not 5
- Any surplus from operating the Community Centre can be used elsewhere in the Parish and is not required to be retained for use in the Community Centre
- The Sinking Fund can be reserves held by the Parish Council rather than a separate bank account and wis not to be handed over at the end of the lease.

If we decide to proceed with the lease now, the Parish Council could be exposed to the following financial risks:

- £27k shortfall in SGC cover for the £87k projected deficit in setting up the Centre
- £32k fitting out costs for the Centre

We would hope to cover most, if not all, of the fitting out costs from grants or by using the "Match My Project" scheme run by Sovereign.

The £27k deficit could be covered using reserves. Grants to cover revenue are much harder to find than grants for capital expenditure.

2. Continue to Negotiate

There are still areas not related to the lease where we could continue to negotiate. These are:

- The provision of a MUGA adjacent to the Community Centre
- Further financial support for the startup costs of the centre
- Battery Capacity

Based on feedback from South Gloucestershire so far, there does not appear to be much, if any, scope for further progress in these areas (at least in the short term). Crest have submitted a construction plan to South Gloucestershire Council and have said that they need a decision by the 10th July to get the project started.

DA to contact SGC.

3. Reject the offer and stop negotiations.

Decide that the project poses an unacceptable risk to the Parish Council and decline to take it on.

Following a lengthy discussion there were three proposals on the table:

Councillor Andrew Shore proposed option 2 Continue to negotiate, seconded by Councillor Richard Barber, a vote was taken, 4 for, 5 against, 1 abstention, proposal not carried.

Councillor Dave Addison proposed option 1 Proceed on current information with the proviso that all reference to a sinking fund is removed and replaced with the wording SGPC will retain sufficient earmarked reserves to maintain the building in good condition, a vote was taken, 6 for, 4 against, proposal carried.

Councillor Mike Brown proposed option 3 Reject the offer and stop negotiations but withdrew this proposal when the option 1 vote was carried.

Following the proposal and due process Council are to proceed with option 1. Councillor Dave Addison asked the Clerk to inform SGC.

Councillors Mike Brown and Keith Cranney left the meeting.

- Update following the Trust Committee AGM.

Councillor Dave Addison informed members the accounts are yet to be signed off and approved, it is hoped they will be ready within the next two weeks.

Councillor Andrew Shore attended the 2024 AGM and believes there is need for more active committee members.
